

## Swim Ladder

C-Quip's stylish swim ladder makes stepping in and out of glistening water effortless.

Its carbon fibre design is the perfect combination of sophistication and functionality, ideal for use with a swim platform or even an onboard swimming pool. With elegant oval handles and classic teak wood treads, the swim ladder is light to carry, easily stored and quick to fasten in place. You can choose the super-sleek look of clear-coated carbon fibre, or we can paint swim ladders in whichever colour complements your vessel.

### Key benefits

- Lightweight non-corroding materials
- Closed rungs or open sided dive ladder rungs
